Fall Session:	September 14 – November 6	(8-week session)
Kindergarten Classes:	September 21 – November 6	(7-week session)
Supervised Play Session Dates:	September 8 – November 6	
Supervised Play Full Year:	September 8 – June 10	
Supervised Play Conference Week:	November 9 – 20	

REGISTRATION BEGINS!
Monday, August 24, 2015 – By fax, online, mail, drop-off
Wednesday, August 26, 2015 – Walk-In

ONLINE: www.mvprGoPlay.org
Online registration begins at 7am on 8/24

FAX-IN: (415) 383-1377

There is no advantage to faxing in a registration prior to 8/24/15. Registrations received early are mixed in with registrations received on 8/24/15 and processed in random order

MAIL-IN OR WALK-IN:
Mill Valley Community Center
180 Camino Alto, Mill Valley, CA. 94941
Telephone (415) 383-1370

For class descriptions or detailed info visit www.mvprGoPlay.org

POLICIES & PROCEDURES

- Registration with fax-in, mail-in or walk-in must include the following:
  - Completed Registration Form
  - Full Payment of Class Fees via MAJOR CREDIT CARD OR CHECK made out to MVPR
- New! Supervised Play - Full Year
  Registration can be paid in full for September-June school year or a scheduled payment plan is available. For scheduled payment plan information call 415-383-1370.
- Children are expected to proceed to their Enrichment class location unassisted. Kindergarten students are picked up only for classes for Kindergarten only. The Enrichment Instructors will pick-up and return EDS students to the EDS Daycare room.
- Conference Weeks - There will be no Enrichment classes scheduled during the two conference weeks.
- Parents are responsible for the transportation and further care of students at the end of each class.
- For Mill Valley Scholarship application and information contact the MVPR front desk at 415-383-1370. Takes 2-6 weeks for processing based on available funding.
- Class registration remains on a 1st come 1st serve basis.
- There will be no regular Enrichment Program classes on public school breaks, school holidays, or public school staff development days, NO CLASSES 10/19.
- Parents are responsible for communicating with the EDS Daycare Office regarding any change in their child's EDS schedule.
- All activities, dates and fees are subject to change.
- All classes will meet indoors when experiencing inclement weather, if space is available. Sports and outdoor classes have indoor curriculum plans.
- Patron requested refunds are only given if requested no later than 3 days after the first class meeting. A $20 processing fee will be charged. Refunds will be given for cancelled courses and/or cancelled class meetings. Refund request may be made by phone or in person during regular business hours.
- To ensure your child's safety, we require that you pick up your child promptly at the end of his/her class or program. Repeated lateness will be considered cause for terminating your child's space in our program without a credit or refund.

QUESTIONS? Call Mill Valley Recreation at (415) 383-1370

Fall 2015 Enrichment Class Descriptions

Acting Adventures through OZ!
Join us on an adventure through the land of Oz.with Dorothy, the Cowardly Lion, Scarecrow and the Tin Man. Students will explore the land of Oz as they develop short scenes based on the Wonderful Wizard of Oz. This acting class, appropriate for all levels of experience, will support students as they develop skills in acting, movement and character development. Friends and family are invited to join us at the last class as students perform their scenes. Instructor: Marin Theater Company

Adv. Mixed Media/Sculpture
In this class you will be introduced to working with wire to create figures, animals or fish, clay, papier mache and the use of recycled or found objects. Instructor: Gwen Perin

Afterschool Hoops
This is a weekday afternoon basketball program for aspiring young players. The one hour instructional session combines fundamental skills instruction with organized team competition with the goal of providing an enjoyable and educational after school athletic event. Developing players benefit by improving their individual skills such as passing, dribbling, shooting, rebounding, and defending while, at the same time, learning how to work within the framework of a team. Boys and girls of all skill levels are encouraged to join. Instructor: One on One Basketball

After School Kicks - Kindies/1st - 3rd
All the skills and thrills of soccer are taught through a variety of fun drills and games. This class provides boys and girls of all levels the opportunity to learn the basics and enjoy the sport. Students will be picked up by the instructor and taken over to Boyle Park to kick the ball around. Instructor: One on One Basketball

Amazing Science
New topics NO REPEATS! Join us for a wide variety of kid-pleasing science topics, demonstartions, experiments, and hands-on activities, including chemistry, physics, geology, biology, palentology and many others! Solve a crime with Chromatography, make your hair stand up in Electrostatics, explore the world of Dragonflies, create working Electronic Circuits, taste test Warm Flavors, sparkle with Geodes & Crystals, and more... All experiments are kid safe and fully supervised. All materials are included. Instructor: Amazing Science

Animal Mania Art
Explore a differnt animal theme every week at class. Clay, ploymer clay (Sculpey), painting, screen printing and image transfer will be explored. Instructor: Studio 4 Art

Art & Yoga
This mindfulness program will help students enhance their attention and emotional skills through a series of exercises. Gentle Yoga will be offered to relax students mind and body while strengthening their abiltity to focus. We will also touch on our creative side by working on various special art projects. Instructor: Lisa Spendov

Art for Kindies
This class offers an opportunity for Kindergarten students to continue to explore art. Projects will include painting, clay and drawing. Students should bring their snacks. Gwen will pick-up Park Kindergartners at their classrooms. Instructor: Gwen Perin

Art to Wear
This class incorporates a variety of media and techniques which, once you've mastered, will allow you to create a huge variety of wearable items-from jewelry to bags/purses. We'll paint, sew, string, draw, glue and more - to make bracelets, hairbands, t-shirts and shoes that wil be true one of a kind treasures. This will get you started on the road to being everyone's favorite gift giver (and most fashionalbe friend). Instructor: Doodlebug

Art/ Mixed Media
This class will focus on advanced art projects using clay, batik, handmade paper, and other mixed media. Instructor: Gwen Perin

Art/Mixed Media
This class is designed to help students create fun and imaginative arts and crafts projects using a variety of art techniques and media. Class will include projects in clay, batik, printmaking, papermaking, painting, drawing and mixed media. Students will create masterpieces that are truly unique. Instructor: Studio 4 Art

Basketball K-2nd / 3rd - 5th
This class will provide practice in shooting, dribbling, passing and defensive skills through the use of fun drills and scrimmage games. This class is appropriate for all levels of experience. Instructor: Lewis Usher

Bead Creations
Using seed beads in all the glorious colors of the rainbow, students will learn the traditional double zigzag stitch. (After the first project of a bracelet, the student can choose other projects including chokers, necklaces, anklets, pins, earrings and refrigerator magnets.) Building on the skills already learned returning students will go on to explore variations of Apache lace work, fanciful embellishments and fun new bead stitces. They will make fashion jewelry, pouches and other incredible creations.
Instructors: Lativa & Lucas TAbachnich

Chess
Learn to play and then excell in the ancient, exciting game of chess. Students will learn the movements of the pieces by playing fun games with each of them in turn. Then onto the full game including tackling check mates, tactics, (forks, pins, skewers, discovered attacks) and stategy. Chess develops critical thinking skills, concentration, and problem solving. Chess is the game of kings and queens and this class will teach manners and good sportsmanship to participants. Instructor: Tondi Erickson

Chess Wizards
Let's Play! Let your child be a part of one of the most successful chess academies in the country. Chess Wizards teaches the game of kings in a unique, fun and engaging way. Kids will learn everything from basic piece movement to advanced tactics, with lessons tailored to suit students of all skill levels. Participants will receive a trophy, and a folder containing all of the puzzles they coplete throughout the course. Instructor: Chess Wizards

Circus Arts
Run away with the circus to try juggling, clowning, building human pyramids, theater games, and even walk on a giant rolling globe! Be the star of the show while you perform with friends new and old. Circus arts offers active play without the competitiveness that comes with traditional sports. Students burn off school day wiggles and get a chance to challenge themselfes all while gaining skills and strength. Why stand on you feet when you can stand on your hands? This is the place where you are celebrated for making other laugh until. they fall out of their chairs! Instructor: Circus of Smiles

Clay, Ceramics and Pottery
This class will be for all that love clay, love to explore and want to create and learn techniques that are not taught elsewhere, including wheel throwing. Focus will be on techniques, student's imagination, creativity, leadership, and self expression. A very inspiring class!
Instructor: Studio 4 Art

Clay Play
Here is your chance to turn a formless lump of clay into something useful, beautiful and imaginative-or all of the above. We'll create cups and collaborate on crafting a wonderland of fairies, flowers and fauna. Sometimes we'll be free to come up with projects of our own and sometimes we'll all learn something new together.We'll also work with different kinds of clay - some that are fired, some that are baked and some that dry in the air. Our imaginations will help us make very special very unique 3-D masterpieces.
Instructor: Doodlebug

Crazy Cartooning & Animation
Character building, comic srips, comic books, bookmaking and animation! A great class for creative students. Fine art techniques such as proportion, exaggeration and perspective are taught. Instructor: Studio 4 Art

Crazy Chemistry
Use your hands as a real Mad Scientist in this whirlwind class on how a lab works! Students will learn to recognize chemical reactions and mix up a few reactive ingredients for some sensational results. We will explore the pH extremes with our Reaction Tubes in what is sure-to-be a popping experience! Create slime using the Mad Science recipe, and use your hands as a real Mad Scientist in this whirlwind class on how a lab works! Students will learn to recognize chemical reactions and mix up a few reactive ingredients for some sensational results. We will explore the pH extremes with our Reaction Tubes in what is sure-to-be a popping experience! Create slime using the Mad Science recipe, and then enter the Slime Olympics to test your polymers. Probe the properties of light and explore some unusual applications of glow-in-the-dark technology! We will melt metal in boiling water and freeze water with just a breath of dry ice!
Instructor: Mad Science

Dodgeball
Come on out and have fun playing the great game of dodgeball. This fun and exciting game teaches kids to run, jump, throw, and catch. The game works on hand and eye coordination as well as body awareness around other players. The kids will form teams and learn strategies to play the game in a organized and fun way. This sport keeps kids physically fit as they will be running the entire time.
Instructor: Jeremy Williams

Drawing
Richard is a professional artist and teacher. He will be teaching his specially designed syllabus this year which will include; drawing, painting, color study and perspective. This class will provide students real skills to express their creativity. New subject matter is introduced each week throughout the year ranging from animals, landscapes, still life and art history. Students will concentrate on skills of drawing and coloring. Students will develop fine and gross motor skills. This program enhances listening skills with a focus on staying on task, spatial organization, planning and patience. All new lesson plans for every session. Instructor: Richard Gelernter

Drawing
Genna has designed classes that will expand on the student's natural drawing skills and subject matter. She will teach students how to break down their subject into simple shapes and then refine and embellish with extra details. The classes will begin with a structured lesson and then free the students to demonstrate their individual ideas to finish their piece in a unique way. Progress will be made to help the students improve their ability to see what is in front of them, and what is in their imaginations, and to interpret these images with improved drawing skills. Instructor: Genna Panzarella

Fencing
Fencing is a safe, fun and exciting sport for all ages. Come join Luke Skywalker, the Three Musketeers and Zorro in the fellowship of the sword. Learn the basics of attacks, parries, thrusts and footwork under certified instructors from North Bay Fencing Academy. Start your journey to the Olympic Games here. All equipment provided. Instructor: Northbay Fencing

Flag Football -1st - 2nd/3rd - 5th
Come on out and play the great game of non-contact Flag Football. This program is for boys and girls who want to run, run, run… You will learn the rules of the game, positions, formations and teamwork. The players will run through basic drills and skills training the first half of class then play games in the second half. This game teaches students hand and eye coordination and footwork skills that will challenge their abilities. All jerseys, flags and footballs will be supplied. Rain or Shine. Classes will be separated by grades 1st - 2nd and 3rd - 5th. for the first half of class and then everyone will play together for the last half of the program. Teams will be grouped based on the amount of participants in each grade. Instructor: Jeremy Williams

Garden Club
Have fun with Kristy Kale in Garden Club! We'll play games, hunt for bugs, tend the garden and make art with nature. You'll learn about growing your own food by turning the soil, planting seeds, tending the plants, and harvesting. In every class, you will get to prepare and enjoy delicious snacks with fruits and veggies from the garden. What a great way to spend more time in Edna's little oasis!

Instructor: Kristy Studnicki
