

In case of an earthquake, public safety officials recommend having enough food and water to last up to 7 days. If we have a catastrophic fire, you may need to evacuate in 10 minutes or less. GET READY is a free 1 $\frac{1}{2}$ hour class, sponsored by the Mill Valley and Southern Marin Fire Departments, which teaches you how to prepare your home and family for all types of emergencies.

Sign up now for 2013 classes. Pre-registration encouraged.

Send an email to: getready@smfd.org or call 380-1105 and leave you name, phone, email, and class you want to attend.

January 15th Tuesday, 7 - 8:30 P.M.
Mill Valley Community Center, 180 Camino Alto Avenue
