## FOR IMMEDIATE RELEASE

### Lower Half of Manzanita Park and Ride Lot in Mill Valley To Close Due to Projected High Tides

*Closure scheduled Thursday, Feb. 16 to Wednesday, Feb. 22*

**MARIN COUNTY** — Caltrans maintenance will close the lower half of the Manzanita Park and Ride lot, along with the shoulder parking on State Route-1, in the city of Mill Valley from **Thursday, Feb. 16** through **Wednesday, Feb. 22** due to forecasted hightide flood warnings.

The lower half of the park and ride lot will be closed 24 hours per day during this period to prevent overnight parking in the lot, and to ensure the safety of motorists that frequent this park and ride lot.

Caltrans will turn on Changeable Message Signs (CMS) in the park and ride lot on **Tuesday, Jan. 31**, to notify the public.

High tides alone can flood the lot at certain times of the year. Caltrans closes parts of this lot when rains and/or tides are likely to produce problems.
