

CITY OF MILL VALLEY BICYCLE AND PEDESTRIAN ADVISORY COMMITTEE

GOALS & OBJECTIVES

Goal 1: Enhance bicycle and pedestrian safety and encourage the community of Mill Valley to increase percentage of trips made by bicycle or by walking to their destinations.

Objectives:

- a. Encourage the preservation and protection of pedestrian and bicycle access, with consideration for regional connectivity and plans.
- b. Support enhanced bicycle and pedestrian facilities (i.e. restrooms, benches, bike racks, and drinking fountains) in such areas as City Hall, the Community Center, the Library, parks, schools, and commercial centers.
- c. Execute on improvements identified in the 2017 Bicycle and Pedestrian Transportation Plan.
- d. Review and provide input to proposed infrastructure projects as they affect bicycle and pedestrian use with consideration for safety and future planning.
- e. Gather data to measure success and areas for improvement in the implementation of bicycle and pedestrian related efforts.
- f. Identify and promote Traffic Calming opportunities to encourage the use of bicycle and walking as essential transportation modes.

Goal 2: Inform and educate the community of Mill Valley about bicycle and pedestrian safety, best practices and laws.

Objectives:

- a. Work with larger community of bicycle and pedestrian advocates to support keeping the community safe and informed.
- b. Recommend best practices in providing industry standard safety signage, maps, kiosks and special information to target residents and visitors.
